RE: **Weekend Repair Activities and Closures**

Once again, subject to weather, there is a great deal of earthquake repair planned for this weekend.

Saturday May 5, 2001

Work scheduled for Saturday includes various pipe repairs along Taxi A & ramp areas; PAPI & REIL control access road preparation; and storm drain system cleaning and vector work at miscellaneous locations on landside. There will be some excavations that will be filled and barricaded for paving on Sunday, but **no facility closures will be needed** for this work.

Sunday May 6, 2001

Work scheduled for Sunday involves milling and paving at taxiways B-3 and B-5, and the various areas left open from Saturday's work; and continuing with storm cleaning and vector work airside. This work will require the following facility closures:

1. The main Runway 13R/31L will be closed from 0600 hrs till 1100 hrs;
2. Taxiway B will be closed from north of B-3 to north of B-6 from 0600 hrs till 1100 hrs;
3. The short Runway 13L/31R will be opened an hour earlier, at 0600 hrs; aircraft operating category and weight will be increased to 30,000 lb. from 0600 to 1100 hrs.
4. From 1100 hrs to 1600 hrs, a portion of the main Runway 13R/31L will be open from A-7/B-4 to the south - approximately 5900 feet.
5. At 1100 hrs, Taxiway B will open full length; however intersection Taxiways B-5 and B-3 will remain closed until Monday;
6. At 1600 hrs, the main Runway 13R/31L will reopen at full length, 10,000 feet.

The purpose of this notice is to give you as much planning time as possible, but **PLEASE WATCH THE NOTAMS FOR CHANGING DETAILS.**

As always, we apologize for the inconvenience to you, and thank you for your patience, because this work is essential to returning to normal operations. If you have any questions, please do not hesitate to contact me or Mike Colmant at 206-296-7380, or via e-mail: cynthia.stewart@metrokc.gov.

THANK YOU AGAIN FOR YOUR CONTINUED PATIENCE!
